CAPE YORK ACCOMMODATED INTRODUCTION

The need to pause from urban pressure and work place tension is no more evident than today. What better contrast to a high-tech, space age environment than the freedom and relaxation and the subtle therapeutic magic of a wilderness holiday.

Each day the shared delight of the unfamiliar landscape, the flora and fauna, the culture and lifestyle of Cape York will enthral you and each evening the unexpected pleasure of traditional Australian hospitality at hotel, motel, station or lodge accommodation will unwind you. Our overnight stays quite often reflect the unique nature of the sparsely inhabited regions in which we travel.

From forest shrouded resorts, hotels and motels in the townships and communities to the "No-Frill" cattle station cabins and tent cabins along the track where no alternatives exist. You will find they are all clean and comfortable, the hospitality genuine, open and friendly, and the cuisine generous and appetizing. You will experience the old way of life where electricity at remote station accommodation is generally not available between 10pm and 7am.

Your tour guide will enhance your holiday with informative information on the history, fauna, flora and birdlife of Cape York with plenty of opportunities for stops along the way for photographs, morning & afternoon tea, lunch and interpretive explanations. Not to mention swimming in pristine river systems and washing away those city aches & pains.

Your tour will pass through many of the icons of Cape York and of course the vast and varied landscapes from the Oldest Rainforest in the world to sparse grasslands, you will visit the old telegraph stations, see community life on the Cape York and soak up the atmosphere of the overnight remote stations along the route. All this in the comfort of your purpose built air conditioned 4WD drive vehicle and after 25 years of taking passengers to Cape York we have a few special places for you on the itinerary.

Add to that an original Oz Tours concept, combining the excitement of a cargo ship voyage between Cairns and Cape York with the adventure of a Cape York Safari. In a style reminiscent of bygone coastal steamers, experience the color and serenity of a Barrier Reef voyage, the magic of the Daintree, the magnificent isolation of the Peninsula wilderness and the diverse cultures of the Cape and Torres Straits.

Or choose the relaxed and exciting holiday combination. An overland wilderness expedition, with the additional perspective of a spectacular flight, with the comfort and amenity of overnight accommodation in the Torres Strait Islands.

Your flight from Cairns to Horn Island (Thursday Islands airport) will provide a unique aerial overview of this vast wilderness, its huge rivers, remote communities and deserted coastline.

Appreciate and experience the rich geology and unique flora and fauna as you travel overland from Cape York back to Cairns.

WHAT YOU NEED TO KNOW

WHAT YOU MIGHT EXPECT

Our 4WD safaris and tours visit isolated outback and undisturbed areas, normally inaccessible to large multi-seat coaches, and due to the remoteness of these regions, conditions will not be exactly the same as at home.

Your companions will be from every walk of life, of all ages and usually with a spirit of adventure, a sense of humour, and a desire to get off the beaten track to enjoy the wilderness, to discover the real Australia.

ENVIRONMENT POLICY

ALCOHOL RESTRICTIONS - HOW WILL IT AFFECT YOU?

Alcohol restrictions are currently in place in some of the Indigenous communities we visit. These restrictions may only affect part of your tour, depending which tour you are doing with Oz Tours Safaris.

In 2004 Queensland Parliament passed a Bill which improves enforcement of liquor laws in restricted areas but also minimises its potential impact on the tourism industry. Strict conditions apply for any permits granted to tour operators by the Liquor Licensing Division. Such permits specify the dates, type and amount of alcohol allowed in a tour vehicle while in a restricted area.

We ask that you contact Oz Tours Safaris reservations on **1800 079 006** prior to commencing your tour for information about alcohol restrictions that may be applicable to part of your tour.
